

McQueen Earns the Preeminent CExP™ Designation for Exit Planning

William Battle McQueen, CPA, JD, LLM, member of The BEI Network of Exit Planning Professionals™, recently earned the designation of a BEI Certified Exit Planner (CExP™). The BEI CExP™ designation is the standard for Exit Planning certification. Through training, rigorous testing and in-depth Exit Plan Creation coursework, Bill has demonstrated that he is qualified to provide comprehensive, professionally executed Exit Planning services to the business owning community.

“Exit Planning Professionals who successfully complete the BEI Certified Exit Planner program have come to be known as premiere Exit Planning Professionals because their in-depth knowledge and demonstrated application of The BEI Seven Step Exit Planning Process™ perfectly positions them to counsel business owners and their advisors on a wide array of business issues ranging from building value within a business to identifying exit objectives, addressing key employee incentive planning and retention issues, incorporating business continuity planning, and establishing wealth preservation,” said John Brown, President of Business Enterprise Institute.

The business owner community benefits from engaging an Exit Planning Professional who holds the BEI CExP™ designation by having greater confidence that the service they receive is professional in quality, adheres to ethical and industry standards of practice, and meets a level of expertise BEI deems credible and worthy of one of its certified members.

About the BEI Certified Exit Planner Designation

Business Enterprise Institute (BEI) trains and certifies BEI Certified Exit Planners (CExP™) to create comprehensive Exit Plans that meet the objectives of their business owner clients. Through training, rigorous testing and ongoing continuing education, CExP™ designation holders provide comprehensive, professionally executed Exit Planning services. BEI requires specific training as a prerequisite to certification to assure that practitioners have the knowledge and understanding necessary to perform competent services, and to assure a level of consistency and continuity in their work product. A primary requirement for becoming a CExP™ is to hold a valid license as a Certified Public Accountant, Attorney, Certified Financial Planner, Chartered Life Underwriter, Chartered Financial Consultant or equivalent professional experience.
